Messrs Ramsiddas Mehrotra Brothers were the Agents for the sale of S. oil in the U. P. The Dir. States that he has terminated their Agency as they could not quite the quantity of oil offered by them.

2. Kind attention is invited to the agreement with messrs Mehrotra Brothers it will be seen that they had guaranteed sale of 25,000 lbs of S. oil per year - the quantity offered by the present nominees.

3 The Commission allowed to messrs Mehrotra was 12½ % on the sales effected by them; but in the present case, the Commission agreed to is 4 as per the values about Rs 1½ or nearly 2%.

U.O.No.771/IAD dated 18-4-1934

Returned with compliments with the following remarks.

1. In Clause 1, it is stated that any uncleared quantity out of the guarantee in the first year will be added to the guarantee of the second year. But it is not stated what the condition or penalty should be if the guarantee as such is not worked even during the second year. This has to be made clear.

2. The Director in his letter No.3588 dated 15-2-1934 addressed to the Development Secretary states

states that all deliveries will be against cash or Bank drafts. There is no clause in the agreement to this effect. This omission may be made good as well as the fact that in the case of Bank drafts, the commission, if any, payable on such drafts will be debited to the Agents.

3. In Clause 4, the nature of the security to be offerred is stated to be either Post Office Cash certificates or Bank guarantee. In the case of the latter, it should be of a Bank acceptable to Government.

4. It is not clear from the draft agreement whether the agents themselves conduct sales - both wholesale and retail or whether they simply forward orders to the Factory for execution. This has to be made clear. In case they are permitted to conduct sales their selling rates should conform to the Factory rates as fixed and approved by Government from time to time which will be on a sliding scale. To watch this, it would be necessary that the Agents should send regular monthly statements of accounts for sales showing the party's name, the quantity, rate and amount with reference to the bill to the Factory for check and audit.

5. In Clause 14, it is stated that the Agents will count towards guaranteed quantity any sales effected in other agency territories under certain conditions. If such quantities are included in the guarantee of the Agents of the respective territories it will amount to counting the same quantity for both the Agents for purposes of guarantee. There is no harm

this however if this is understood.

6. There is no clause to determine the agreement. The Director may be asked to send the final form of agreements settled in consultation with the Government Advocate for the approval of Government before execution.

12 The Comptroller in Para 1 of his un-official note has stated that any condition or penalty has not been specified in case of non-fulfilment of the guarantee. It is rather very difficult to make a mention in the Agreement as to the penalty especially when there is so much of competition by the other distillers. They have, however, agreed for the sale of 25,000 lbs. per year which may be accepted. The usual method of enforcing the guarantee is to sell the balance at the risk of the Agent. We shall have to adopt this according to the then condition of the market.

Sudra
× it is for consideration whether it may not be made clear what the loss, if any, accruing from sale of old stock may be deducted from the Commission payable to Agents

13 Regarding para 2, I have to note that this is the present practice. All payments are made by Cheques into Cawnpore Imperial Bank under a special arrangement. This is not business newly starting. We need not re-iterate every detail.

14 Regarding para 3, before finally getting the agreement executed by the Agents, I shall get the proper security.

15 Regarding para 4, I have already pointed out in my letter No.3588 dated the 15th February 1934, that there is no necessity for getting details of sales, as we deliver oil against cash or Bank drafts, at the rates fixed specially to the Agents. There is no sliding scale now, except for retail sales of 1 lb.

and less direct from the factory.

Para. 5 According to Clause 14 of the Agents proposed Agreement, it is clear that they are agreeable to relinquish agency commission in respect of sales effected in other agency territories. As such there will be no double claim for commission. But the same quantity will appear twice as regards guaranteed minimum of each area. This is a minor affair and does not matter.

7 -Regarding para-6, it is unnecessary to make mention of it. We have the best firm as Agents and they have huge business in their own perfumes. After the terms are approved by the Government, a formal agreement embodying all the terms will be got prepared by the Government Advocate and submitted to Government again if necessary.

CONFIDENTIAL

Bangalore, 15th Febry. 193

No. 3588/Ex.2

FROM A. V. Ramanathan, Esq., B.A.,
DIRECTOR, SANDALWOOD OIL FACTORY IN MYSORE,
BANGALORE.

15 FEB. 193

To

S. Abdul Wajid, Esq., B.A.,
Secretary to the Government of Mysore,
Development Department, Bangalore.

Sir,

With reference to your letter No. D. 1640/S.O.F. 61-32-4 dated the 9th Octr. 1933 and Government Order No. D. 3722-24/S.O.F. 25-33 -2 dated the 31st Jany. 1934 in the matter of the proposals for the sale of Sandal Oil in the United Provinces etc., I have the honor to state that after studying the situation at Kanauj, I have terminated the agreement of Messrs. Bansidhar Mehrotra & Sons., which was tempo -rarily continued in accordance with your letter dated the 3rd April 1933 because I found that in the present state of the market in - - Kanauj, he could not give me the guarantee for the quantity of oil - that was offered by others. After close discussion with all likely parties, I have entered into an agreement with Messrs. Lala Banarsidas Khatri and Beni Ram Moolchand, Perfumery Merchants, Kanauj. A copy - of the terms of the Agency as agreed to between us is submitted for the kind approval of Government. It will be seen from it that 25,000 lbs guaranteed per year has been secured exclusive of a contract which I have entered into with Messrs. Ashgar Ali Md. Ali of Lucknow for - 10,000 lbs of oil for one year.

In effect, I have arranged for the sale of 25,000 lbs of oil per year for two years by the Agents in that territory and the pur- chase of 10,000 lbs of oil by Messrs. Ashgar Ali Md. Ali, making a total of 35,000 lbs in this territory alone per year. I may add

add that the contract of Messrs. Ashgar Ali Md. Ali will, according to existing arrangements, be automatically continued next year also and that I could not make that contract for two years because, I did not want to commit myself to the present level of prices for such a long period.

3 The largest quantity of oil sold in India till now in any one year is 36,000 lbs in 1932-33. This quantity included the Kuppam Quota and also our sales in the three -- presidencies of Madras, Bombay and Bengal and the provinces of Bihar & Orissa and Assam. My present arrangement secures for us a sale of 35,000 lbs per year in the territory of a single Agent for the oil of our own factories since Kuppam agreement has been cancelled now and there is also the sales of the other territories to be added to this quantity.

4 I have kept the conditions as clear and easy of interpretation as possible. On receipt of Government sanction I shall, in consultation with the Government Advocate, prepare a draft agreement containing the necessary and usual - other clauses, get the Agents to Bangalore and have the -- Agency agreement executed by them.

5 All deliveries will be against cash or Bank drafts as at present and there will therefore be no question of the Agents having to answer us either for stock or for the details of their sales. It will therefore be seen that the Comptroller's objection referred to in para 2 of your letter of the 9th Octr. 1933 will not arise in working this agreement. As - regards the Comptroller's objection, I request also a reference to my reply to him dated the 4th July 1933.

Encl., 5
D. 792-33
Secy. 61-32-3. C

I may add that I have taken from them a deposit of Rs 3,00 by cheque and forwarded the cheques to the Imperial Bank of - India, Bombay for realisation and credit to the Dewan's - Account.

I request urgent orders of Government approving of this agency agreement.

I have the honor to be,
Sir,
Your most obedient servant,

AVR:USC) Director.

Sir, Re: Kanauj Agency Agreement.

D.792.33. S.O.F. 61.32.3. I have the honour to invite your kind reference to the last para of G.O. No. D.5870-71/S.O.F.61-32-7 dated 6th June 1934, requesting me to examine the suggestions made in Comptroller's letter No. 1104/IAD. dated 8th March 1933 and to have a formal Agreement executed in consultation with the Government Advocate. The points referred to in the Comptroller's letter are those pertaining to the accounts of the then Agents and the terms of the present Agreement solve all such difficulties. The sales of loose oil are effected as per rates sanctioned by Government and for packed oil, the Agents rate is charged. So far as the direct contract of Messrs. Asgharali is concerned, it is made clear that the Agents are not entitled to any commission on deliveries to -- this firm. I am therefore of opinion that no special provisions need be made in the light of Comptroller's letter referred to above, and I request final orders of Government may kindly be obtained to have the draft Agreement drawn up by the Government Advocate embodying the terms referred to in the Appendix.
